Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

The communication filed on 7/20/07 is not fully responsive to the communication mailed 6/6/07 for the following reason: Although Applicant has elected Group I and SEQ ID NO: 11, Applicant has failed to correctly identify the claims encompassing the elected species, i.e., Applicant has stated that the claims that read upon the elected species include claims 1-6, 8-9 and 14-32. However, the elected species has an iso-Phe residue at position 8, and claims 5 and 6 indicate that the side chain is extended whereas claims 8 and 9 indicate that the side chain is shortened. The instant specification does not disclose the structure of iso-Phe.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to Examiner **Marianne DiBrino**, Art Unit **1644**, whose telephone number is **571-272-0842**.
